## CBM PRAYERLINE

**The Waddells Amidst Typhoon Phanfone**  
Typhoon Phanfone swept over the Philip-pines during the holidays, causing exten-sive damage to electrical lines/poles, and communications networks. It may take weeks/months until everything is restored to normal. According to CBM Field Staff Melanie Waddell, "Many homes and buildings have been badly damaged, and in some cases, they have been complete-ly flattened. This is especially true for those living in houses made from light materials such as bamboo and sheet metals." The typhoon swept through Visa-yas, the island on which CBM Field Staff Melanie and Michael Waddell, and part-ners and programs are based. The Waddells are safe - their house suffered minor damage. The younger Waddells have processed the calamity well, despite being scared. Power was just restored after six days without. The Waddells await word regarding communities where CBM is present as communication and electricity lines in many areas are still down. Pray for all affected by the storm and for the Waddells as they schedule site visits when the hardest hit areas be-come more accessible.

### **The Kwoks**

Conrad and Fiona Kwok are CBM's Chi-nese Ministries Team Leaders in Asia. Based in Thailand, they help develop a culture of integral mission in local church-es through Chinese ministry partners. Pray for the renewal of their Thailand Visa—that it will be a smooth process.

### **Year-End Giving**

Please say a prayer of gratitude for Ca-nadian Baptists generosity towards those in the margins—those who purchased Hopeful Gifts of Change for Christmas as well as those who supported CBM Field Staff and programs. Pray for overflowing provision so that we can do even more to embrace a broken world.
