CBM PRAYERLINE

Field Staff in East Asia

CBM Field Staff in East Asia work serving in the areas of church transformation, planting of new congregations, mentoring young adults, and supporting vulnerable children. Although churches in parts of East Asia face many restrictions and persecution, they are continuing to grow and become more involved with mission. CBM's Chinese Ministries Team is praying through personnel changes. Please pray for discernment regarding where the Spirit is leading them and for the team to become stronger and closer throughout the process. Pray also for wisdom for the team as they deal with staff changes. Pray for guidance and safety for all Field Staff as they continue to navigate their missions amid the complexities of ministry in the East Asia context.

Staff Travels

Many CBM staff members are travelling throughout February. Jon Williams will be in the Philippines, John Chan is travelling to India, Gordon Brew is going to England and India, while Patricia will be in Rwanda and other African countries. CBM Executive Director Terry Smith will also be travelling. CBM's Canadian Regional Representatives are also constantly on the road throughout winter. All travel activities are very important to fulfill our ministry responsibilities on behalf of Canadian Baptists. Please pray for the health and safety of all CBM staff travelling throughout February. Pray also for staff working in the office to manage increased workloads which are inevitable when other staff are out of the office. Pray for the work of those travelling: for fruitful connections with Field Staff and congregations, for protection against illness, and for wisdom to increase CBM's reach to bring hope and healing to a broken world through local churches.

Winter Storm Warnings in Canada

Winter storm warnings and extreme cold alerts have been regularly in effect across Canada in recent weeks, creating dangerous driving conditions, health issues, and expensive hydro bills, which many Canadians living in Northern communities struggle to afford. Winter also creates many challenges for Canadians living on the streets. Please pray for Canadians who are struggling to heat their homes this winter. Pray also for municipal leadership to provide enough food, shelter and resources for the homeless population. Pray for Canadians living on the streets to have access to shelter, proper winter clothing, warm meals and the loving concern of people in their communities.
