Canadian Baptists of Atlantic Canada:
SUNDAY PRAYER LINK

- One of our priorities is that our churches would become Mission Edge Churches. Some markers of this kind of church would be that the church would be in the neighbourhood, they would reflect the demographic of their neighbourhood, and that they recognize where God is working in their neighbourhood and are joining Him there. Your neighbourhood should be different because the church is there. Is it?
- Give thanks for the continued growing ministry of the Atlantic Baptist Foundation as they assist our churches and agencies with financing for new church development, extension projects, and grants to strengthen various ministries of the CBAC. As God blesses this ministry, it in turn is able to bless others. Pray for the board as they make these decisions.
- Church to pray for: Northwest Baptist Church, Lunenburg, NS: Rev. Randy Crozsmann.

Please pray for our known sick:

SJRH: Bryon DeMerchant
At Home: Margaret Bailey, Basil & Marie Lawrence, Corey Graham, Paige VanDine, Lewis Wright, Sterling Grant, Nancy Brisbin, Phyllis Wilson and Wayne Rennie.

Thank You

Lewis Wright would like to thank the church family and friends for your prayers, calls and visits after my accident. They were very much appreciated.

CBM PRAYERLINE

East Asia

Churches in parts of East Asia continue to grow and be more involved with mission despite many restrictions and persecution. Please pray for students serving and learning in this region - for covering and protection. One of the students, Sister Guan, is currently undergoing chemotherapy. Please pray for healing, strength, provision and comfort for her. Please pray for wisdom for CBM Field Staff as they help and guide students in completing their studies.

Africa

Carla Nelson, PhD, is CBM's Senior Associate - Africa Liaison & Educational Specialist. She supports CBM's initiatives, strengthening existing and exploring new educational programs with partners internationally. Pray for one of the leaders of our African church partners, who is facing a significant health challenge. Church partners in Congo also continue to navigate the Ebola crisis and people in their communities are fearful. Some have been healed but still face the stigma that comes with having been stricken with the disease. There is some circulation of inaccurate information about the disease, which adds to the fear and confusion. Please pray that pastors and church leaders will have courage, clarity and compassion during this time.

Arab Baptist Theological Seminary (ABTS)

The Arab Baptist Theological Seminary (ABTS) in Beirut, Lebanon, equips leaders for ministry in the Middle East and North Africa. The ABTS has enrollees from all over the world and has shared the following prayer requests from first-year students:

Elissar from Lebanon

Please pray for the Lord to give me the needed strength and wisdom in my relationships and the focus to study diligently while I am here. Please pray for my family members, too. They see the change in me, and I desire to be a witness continuously so that they, too, come to the faith.

El Sadig from Sudan

Please pray for my academic journey here. Pray for the Lord to open my mind so I can understand and benefit from all the lessons and lectures. Please pray for my future ministry after graduation. I would like to invest in children's ministry, so that children would grow up with the love of God in their hearts.

Saleem from Jordan

Please pray for my future ministry. I would like to start an elderly home in my country and a Bible school. I also hope to focus on pastoral work, apologetics and working with young adults.
