CBM PRAYERLINE

Suraj Kimaravalli

Suraj serves as Team Leader for CBM’s ministries in India, helping to develop integral mission strategies in CBM’s priority areas of Andhra Pradesh and Orissa. He manages CBM’s field staff and church partnerships, and is engaged in a variety of ministries including children and youth at risk, food security and community development, leadership training, evangelism and church planting, as well as AIDS and health care initiatives. Pray for God’s wisdom and guidance as he and partners in India strive to achieve partner sustainability. Please continue to pray for Suraj as he serves in ministry and endeavors to strengthen and grow the work in India.

World Day Against Child Labour

Every year on June 12, governments, employers, workers organizations, individuals and civil society come together to bring awareness on child labour and how the global community can help protect against all its forms. Today, approximately 152 million children are still subjected to child labour. Pray that this will cease and for every child to enjoy each one of his/her rights. Pray for CBM’s programs in the Dominican Republic, Lebanon, the Philippines and Bolivia that help protect kids from child labour and allow them to gain access to better opportunities.

Tim and Kallie Hutton

Tim and Kallie are CBM Global Field Staff and work with partners Bolivian Baptist Union (UBB) and its development arm, OBADES, to build and support effective programs and ministries. They are working to get churches involved with strategic community development projects as well as expanding the capacity of the seminary to train effective leaders. Another important focus is improving accessibility to theological resources and other vital information that can be challenging for Bolivians to access.

Pray for the seminary as it explores new ways to provide theological education throughout Bolivia. Pray for the main campus and its three satellite extensions that are working to collaborate more through online resources. Please pray for our Latin American team’s retreat, which is taking place this following week. Pray that it would be a time of unity, inspiration, and vision casting.
