Please continue to pray for Heather Cousins as she works along side others in Northern Syria's refugee camp hospital. Pray for safety and that her body holds up under the extreme heat. She is scheduled to return July 31st.

Tidal Impact

Preparations are still underway as we move closer to July 20th. Please pray much for this opportunity we have to impact the lives of young people and our communities.

Pray for our speaker, Danny MacKay, the band, Beyond the Broadcast, our organizers, participants and community. Pray for protection and the Lord's blessing. Pray that Christ's love would be evident and that He would be honored in all that we do.

You will notice we have closed the overflow for the summer.

We appreciate everyone sitting in the main auditorium.

CBM PRAYERLINE

World Youth Skills Day

On July 15 we recognize World Youth Skills Day. The youth play a huge role in creating and maintaining stable societies and sustainable development, but they're also three more likely to be unemployed compared to adults. They're more vulnerable to lower quality and insecure jobs, and to inequality in the marketplace. This is why it is important for youth to have access to additional skills training and vocational education. CBM works with many marginalized youths globally. One project area is India, where CBM help youth through tutoring and additional skills training. Pray for youths all over the world, that they may have opportunities that will lead to better futures. Pray for a burden for the youth to grow in the hearts of many.

Jonathan Wilson

Jonathan is CBM's Senior Associate for Theological Integration and provides direction on the integration of theology and practice through writing, teaching, training leaders and speaking. Pray for guidance and for insight as Jonathan writes material to be used by CBM and partners in Canada and around the world. Pray for continued good health in the demands of his travels, and for humility to hear and learn from God as he interacts with people.

Bruno & Kathleen Soucy

Bruno and Kathleen Soucy are CBM's Latin America Team Leaders supporting field staff, church partners and programs in Bolivia, El Salvador, Guatemala, the Dominican Republic and Cuba. They aim to develop sustainable growth and transformational impact in communities through local churches. They also would like to see developing mission and church engagement growth through SENT teams and local partnerships. Please pray for the Soucys' colleagues - that they would impact, listen and respond well to expressed concerns and needs of partners that the team connects with. Pray for peace and justice in the countries where CBM is present as most are facing elections. Pray for Kathleen and Bruno as they settle into their new place, make new relationships, and represent CBM. Pray also for the families the Soucys left behind in Canada.
