CBM PRAYERLINE

Flooding in India

The monsoon season has battered South Asia and continues to displace countless people in the region. CBM Field Staff reported that floods have devastated many families in the Biswanath Charali District, Assam. Many houses and churches were damaged and livelihood is threatened due to loss of crops, fishing access and small ruminants. Although water has receded in many flood affected areas, the damage caused to crop and fishing continues to impact sources of income. Recovery could possibly take months while some areas such as Gophur continue to experience flooding. Please pray for our Field Staff and partners in India, as they strive to provide assistance and support to those affected.

Emo Yango

Strategic Associate Emo Yango has been leading a multinational team in the Philippines focused on the biblical and theological training of local leaders. He also works with Christian partners in responding to basic community needs such as goat raising, early childhood education, sanitation, water system projects, and youth leadership training. Emo asks for prayers for the family of bible translator, Willy Kiao. Pray for Willy Kiao's wife Deny and daughter Princess as they mourn his passing. Pray for suitable employment for Deny. Pray for good health for Akmad, who is continuing the bible translations.

Cheryl Bear

Dr. Cheryl Bear of Nadleh Whut'en First Nation is a CBM Strategic Associate and serves as the Indigenous Relations Specialist. She provides leadership and education to CB churches seeking to be more engaged with First Nations communities. Please pray that the voices of Indigenous elders would be heard. Pray that the 94 calls to action by the Truth and Reconciliation Commission of Canada would be taken seriously and bring needed change to the lives of all Canadians.
