CBM PRAYERLINE

Pradeep Babu Gara

Pradeep works alongside CBM's church partners in India, focusing on budgeting, reporting, monitoring and evaluating ongoing project activities. Based in Hyderabad, he collaborates with Senior Program Coordinator CP Raju and National Field Staff Team Leader Suraj Komaravalli as they strengthen the witness of local churches. Please pray for ongoing pastors' workshops where best practices and learnings are shared with one another. Pray also for continued partnerships with local pastors and for Pradeep's spiritual growth.

International Youth Day

On August 13, 2019, we celebrate International Youth Day. According to the United Nations, there are 1.8 billion youths between the ages of 10 and 24 globally. Statistics show that 1 in 10 children live in conflict zones and 24 million are not in school. Pray for the next generation - for protection and safety, and for opportunities that will lead to better lives. Please pray for CBM's programs in countries like the Dominican Republic, Rwanda, Kenya, Lebanon, Bolivia, India and the Philippines, where we work with local partners to provide access to education for the youth. Education and additional skills training are examples of good solutions that will help combat issues such as poverty and oppression.

Lewis and Felain Lam

Lewis and Felain Lam are CBM Strategic Associates in Germany, serving in Chinese Ministries, specifically students from mainland China who seek education from German universities. Please pray for wisdom and strength to share what God has been doing in Germany during home assignment. Pray for peace and rest for the Lams and for God to continue to guide and shape Caleb.
