## CBM PRAYERLINE

### Bruno & Kathleen Soucy

Bruno and Kathleen Soucy are CBM's Latin America Team Leaders supporting field staff, church partners and programs in Bolivia, El Salvador, Guatemala, the Dominican Republic and Cuba. They aim to develop sustainable growth and transformational impact in communities in Latin America through local churches. They also would like to see developing mission efforts and church engagement growth through SENT teams and local partnerships. Pray for partners in the Dominican Republic with bi vocational pastors, working mostly in impoverished rural areas, with a focus of caring for and mentoring vulnerable youth. Pray that the Soucys through CBM would be able to meet them where they are and be an encouragement. Pray for the work of ENLACE, CBM's partner in El Salvador that is now working with 10 churches in Guatemala. ENLACE equips local churches to transform their communities. Pray for these churches to be leaders in their communities and be a visible testimony of Jesus' love. Pray for the Soucys as they maintain family relationships from afar.

### Bill & Janice Dyck

Bill and Janice Dyck serve in Bolivia with CBM's oldest partner, Bolivian Baptist Union (UBB). The Dycks help to equip and mentor UBB's leaders especially in understanding integral mission and putting it into practice. Please pray for them as they begin their first home assignment as as Global Field Staff to Bolivia. Pray that God will lead them as they share stories with Canadian supporters. Pray that hearts will be moved to support what God is doing in Bolivia and CBM in general. Pray for safety in their travels as they will be on the road in October and November.

### International Day of the Girl Child

October 11 is International Day of the Girl Child. "The day aims to highlight and address the needs and challenges girls face, while promoting girls' empowerment and the fulfillment of their human rights." Please pray for breakthroughs in preventing child marriages and motherhood and for the eradication of education inequality and gender-based violence among many others. Pray for the protection of girl children, for strength and opportunities towards a sound future.
