## CBM PRAYERLINE

### Carla Nelson

Carla Nelson is CBM's Senior Associate - Africa Liaison & Educational Specialist, supporting initiatives, strengthening existing and exploring new educational programs with partners internationally. Please say a prayer of gratitude for our church partner in Africa, the Association of Baptist Churches of Rwanda, as for the first time in their history, they ordained 12 women to pastoral ministry. Also pray for our church partner in South Sudan. The leadership and pastors of Faith Evangelical Baptist Churches of this area are striving to be the hands and feet of Jesus in the face of continued unrest which have people living in fear and in the midst of devastating floods which have destroyed the harvest.

---

### Bill & Janice Dyck

Bill and Janice Dyck serve in Bolivia with CBM's oldest partner, Bolivian Baptist Union. The Dycks help to equip and mentor UBB's leaders especially in understanding integral mission and putting it into practice. Please pray for energy and stamina as they continue to meet with supporters, for safety on the roads, and that peace will prevail in Bolivia after the recent elections and that God's will be done.

---

### International Day of Tolerance

This day observes the United Nations' efforts to strengthen tolerance through mutual understanding between cultures and peoples. This action is imperative in the midst of rising and violent extremism brought about by disregard for human life. Please pray for CBM programs in Canada and the Global South, which strive to bring justice to those in the margins, to the vulnerable people who are oppressed because of their cultural background and ethnicity. Pray for worldwide awareness that leads to life-changing impact. Pray for peace, protection and justice for those fighting for the rights of humankind.

### Canadian Baptists of Atlantic Canada: SUNDAY PRAYER LINK

Tomorrow we will celebrate Remembrance Day. Let's stop and give thanks for the great sacrifice made by so many so that we may enjoy freedom and peace. We also pray for those who currently serve in our military as well as for the leaders of our provinces and our country as they wrestle with contemporary international, social and moral issues. Pray that they will seek wisdom from God as they carry out the duties of their respective positions/offices. We pray for peace.
