CBM PRAYERLINE

Emad & Almess Botros

Emad and Almess were appointed by CBM to serve at the Arab Baptist Theological Seminary (ABTS) in Lebanon. Emad serves as a lecturer in the areas of Old Testament and Islamic studies and is also developing resources and models for ministry in that context. While both Emad and Almess are involved in mentoring students in ministry and leadership skills, Almess also explores opportunities to work with Iraqi and Syrian refugees. Please pray for the political instability in Lebanon, for a better nation and for order, justice and peace to follow in the wake of the prime minister's resignation. Pray for wisdom for those in authority so that they may make decisions for the common good. Pray for Arab Baptist Theological Seminary students as they continue their journey of learning and growth in knowing God.

World Toilet Day

November 19 is World Toilet Day. Toilets are often taken for granted but they save lives. and prevents fatal diseases. Pray for the global sanitation crisis, that everyone will have access to proper sanitation. Pray for people to understand the need for this as a human right, for enough support for the development sector as civil society strives to help the 4.2 billion people without safely managed sanitation. Pray for the Latrines for Life project in El Salvador, that it will continue to help many people without access to toilets.

Dan & Melody Grove

Dan and Melody are CBM Strategic Associates who work with Wycliffe Bible Translators in Cameroon. Along with a Cluster Service Team of six Cameroonians who now lead the project and are working towards translating the New Testament into 10 languages and developing literacy programs. Please pray for healing for people who participated in a healing workshop, that they will experience true healing in God's name and extend this to others. Please pray for spiritual protection over the translating team. Please pray for peace of heart and mind as they continue to serve God in difficult places and troubled times.
