Canadian Baptists of Atlantic Canada:

SUNDAY PRAYER LINK

The Fresh Embrace event happens January 20 -21 in Moncton, NB. This is a unique opportunity for all CBAC pastors to gather and sabbath together; it will focus on personal and practical ministry concerns. Pray for our pastors as they use this and other resources to develop resilience, endurance and perseverance in ministry.

CBM PRAYERLINE

The Botroses

Emad and Almess were appointed by CBM to serve at the Arab Baptist Theological Seminary in Lebanon. Emad serves as a lecturer in the areas of Old Testament and Islamic studies and is also developing resources and models for ministry in that context. While both Emad and Almess are involved in mentoring students in ministry and leadership skills, Almess also explores opportunities to work with Iraqi and Syrian refugees. Please pray for the country of Lebanon as the political situation is still unstable. Pray for Emad as he aims to finish his PhD studies this semester. Pray for wisdom, peace, and strength for the whole family

The Bustins

The Bustins work with CBM's partner, the Association of Baptist Churches of Rwanda. Darrell's primary focus is in pastoral training and church leadership development. He works both with pastors, as well as those studying to be pastors and church leaders. Laura Lee oversees the administrative details for the short-term mission teams that come to Rwanda. With the start of the new year, CBM's Rwanda partner has many projects that are underway which means multiple meetings and planning sessions. Darrell will once again be travelling as he begins to teach some new seminars on family ministry and to teach the second half of his course on the Old Testament to the students in Bible school. Pray for safe travels, for protection, strength and good health.

International Day of Education

January 24 is International Day of Education. Everyone has the right to free and compulsory elementary education, as stated by article 26 of the Universal Declaration of Human Rights. Yet, countless children all over the world do not have access to this basic right. It is one of the main tools to help children climb out of poverty and have more opportunities for a better future available to them. Please pray for children all over the world, that they will have access to education.
