Canadian Baptists of Atlantic Canada:

SUNDAY PRAYER LINK

• It's exciting to see new congregations emerging in various corners of our region - some are brand new while others are mergers and replants, still new but with renewed energy and vigor. Is God calling you to start something new or help support something near you? Pray for these new congregations and even those that will emerge through 2020.
• Pray for Rev. Kevin Vincent, Associate Executive Minister (New Congregations). He is primarily working with individuals and churches seeking to begin something new or multiply what God is already doing.

CBM PRAYERLINE

Peace, Favour and Provision for Lebanon

Father, we thank you that you are a sovereign God. We are grateful that you are in control of the political and economic situation in Lebanon. Resources are limited, small business have closed down and many have lost their jobs. We pray for your hand to be on this situation as you are our Great Provider. In this time, help us share Your hope and light to those who are struggling because of the current situation. Lead the way for the Haddads and the whole Lebanon team, as well as local partners and churches, to explore new ways to engage those who do not know You. Help our Middle East Field Staff to act in faith as they carry out Your work.

SENT Teams in Bolivia and Patty's Health

Lord, we are thankful for the first 2020 SENT team that is now in Bolivia. We ask for this trip to be meaningful for those who are serving, as well as for those in the communities. Your leading and wisdom be upon the team as they strive to serve the community in the best possible way. God, in light of landslides and flooding in the cities of La Paz and Cochabamba, we pray for affected families. Be their hope, their comfort and their provider. We lift up to you the children who participate in our programs in Bolivia. We are thankful that you are their Father and will bring hope and healing to them. We also pray for healing over Patty, for wisdom for her doctor and for blessing the work of his hands.

2019 nCoV and Chinese Ministries in Germany

The 2019 nCoV has caused fear amongst the Chinese in Germany, who are reluctant to interact with strangers, thus creating a challenge for the Chinese Ministries Team. But You are a sovereign God who opens doors according to His will. We pray that in the midst of these challenges, the ministry in Germany will continue to yield harvest and continued spiritual growth and revival for the mission field. Move mountains that may serve as hurdles and strengthen the Yes and the rest of the Germany Field Staff, both physically and spiritually. Show them how to lean on and trust You more. Lastly, may You keep and bless Muling, the Yes' daughter, that she will grow in You.
