Canadian Baptists of Atlantic Canada:

SUNDAY PRAYER LINK

October is Pastor Appreciation Month, and we're inviting our churches to choose a Sunday to celebrate CBAC Sunday. Let's celebrate this partnership of churches across Atlantic Canada and what God is doing through us. And let's express appreciation and honour to your Pastor(s) and their families for their hard work and sacrificial dedication. In recognizing the unique nature of their vocational calling, please pray for your Pastor(s) and his or her family asking that God will protect them from unrealistic expectations and pressures and that they will be encouraged and loved by God's people in a manner that will champion them on in being all that God calls them to be.

CBM PRAYERLINE

Pray for Bolivia with Field Staff—Bill & Janice Dyck:

Lord Jesus we thank you that even though we are going through a time in which the world is experiencing a global pandemic, political instability at all levels, and general economic uncertainty, we can approach you with the assurance that you already know all the details and are in control. We can know that nothing will defeat us, that nothing can separate us from your love, and that even when words fail us in times of personal weakness, your Holy Spirit will understand our struggles and communicate our deepest concerns to you.

It is with that assurance and faith that we bring before you the concerns of Latin America and more specifically Bolivia, a region and country we serve and have come to love in recent years. We pray for economies facing deep recession, for the majority of Bolivians who rely on daily wages but have had little or no work for the last six months. We pray for political stability as candidates campaign for upcoming elections on October 18th. We pray for fair elections and protection as people vote. We pray for relief from the spread of the Corona virus, for wisdom of national leaders and for pastors who cannot help but still serve. We pray for the vulnerable. We pray for the children's education as teachers are going door-to-door trying to keep the children from losing the entire year.

Lord we know that the crises facing the world right now also affect each one of us personally. We have come to Canada earlier in the year than we would have expected to. We are having to adapt by working from home. In all things we continue to see your grace. Thank you for the gracious, generous support of our donors. Thank you that in all circumstances we have the assurance of your presence and your love. Lord Jesus, Father God, Holy Spirit, work in us and through us, to be your instruments of peace. Amen
