Dear Members and Friends of Woodstock Baptist,

Through the generous giving of many we have received approximately 75% of the of the required funds for the new church building. With a year left to go before we transition into the new facility it is our goal to raise the remaining 25% and be debt free. With continued prayer this can be done.

At the request of many, the Future is Now Committee would like to introduce the opportunity for memorial giving. This has been on our heart for some time as it is a meaningful way to support the project and honour our loved ones. With your gift we ask that you provide a photo and a few details of the person named in the memorial. There is no limit to the giving and the gift amount will remain confidential.

Once we move into our new church building there will be a memorial service dinner to honour those loved ones who have passed on before us. At this time, we will present a video slide show that will include the photos you have submitted. This video will also be available on our web site following its release at the memorial service dinner.

Please continue to pray as we move forward serving Christ for generations to come. "A generous person will prosper; whoever refreshes others will be refreshed." Proverbs 11:25

Thank you for your time and generosity. May God bless.
